5. Organizational Development:

As our coalition is evolving, here are a few questions...(thanks, Becky, for the assist on this!)

- 1) Does the steering committee hold a separate meeting during the months we convene a full coalition meeting?
- 2) What items should go before the full coalition and what items are automatic for the steering committee?
- 3) What will be the goals for the bi-monthly full coalition meetings? How can we help engage these members to feel like they have a role and investment?
- 4) At some point, will we want to have special topics or presentations at the full coalition meetings to help engagement?
